Game Description:

DanceDanceRevolution II is the definitive Music & Motion game that combines fun, fitness, competition, dance and music for everyone!

Key Features:

- Features over 50 songs including today's hottest pop hits. Dance to a new selection of full master tracks for an enhanced workout routine!
- Challenge yourself with new Doubleplay functionality where a single player can play on two DanceDanceRevolution mat controllers at the same time!
- Check out our classic Workout Mode which shows you your fitness progress and stats.
- Enjoy all-new dance characters and compatibility with your Mii's + customizations!
- Easy pick-up-and play controls for dancers of every level. For new dancers, check out the DDR School Mode for training.
- Advanced DDR fans are sure to enjoy the extreme, high difficulty levels implemented in our advanced music tracks.
